

WINE BOTTLE LABELS

- The wine tasting will be done blind, so you will want to wrap each bottle in aluminum foil or place in a brown paper bag sealed around the neck so guests can sample seeing the label of what wine you are pouring.
- Cut out these labels below and tape to the front of the covered bottle, but be sure to write the name of the wine on the back of the label for identification later.

<p style="text-align: center;">WINE A</p> <ul style="list-style-type: none">- Write the name of the wine on the back of the label- Tape this side up on the covered bottle	<p style="text-align: center;">WINE B</p> <ul style="list-style-type: none">- Write the name of the wine on the back of the label- Tape this side up on the covered bottle
<p style="text-align: center;">WINE C</p> <ul style="list-style-type: none">- Write the name of the wine on the back of the label- Tape this side up on the covered bottle	<p style="text-align: center;">WINE D</p> <ul style="list-style-type: none">- Write the name of the wine on the back of the label- Tape this side up on the covered bottle
<p style="text-align: center;">WINE E</p> <ul style="list-style-type: none">- Write the name of the wine on the back of the label- Tape this side up on the covered bottle
